Time it was,
And what a time it was,
It was,

A time of innocence,
A time of confidence,
Long ago . . . It must be . . .

I have a photograph,
Preserve your memories;
they're all that's left you.

Young men and women
Who devote their time
To developing their bodies
And glorifying their school
They represent us
In football, basketball,
field-hockey, softball,

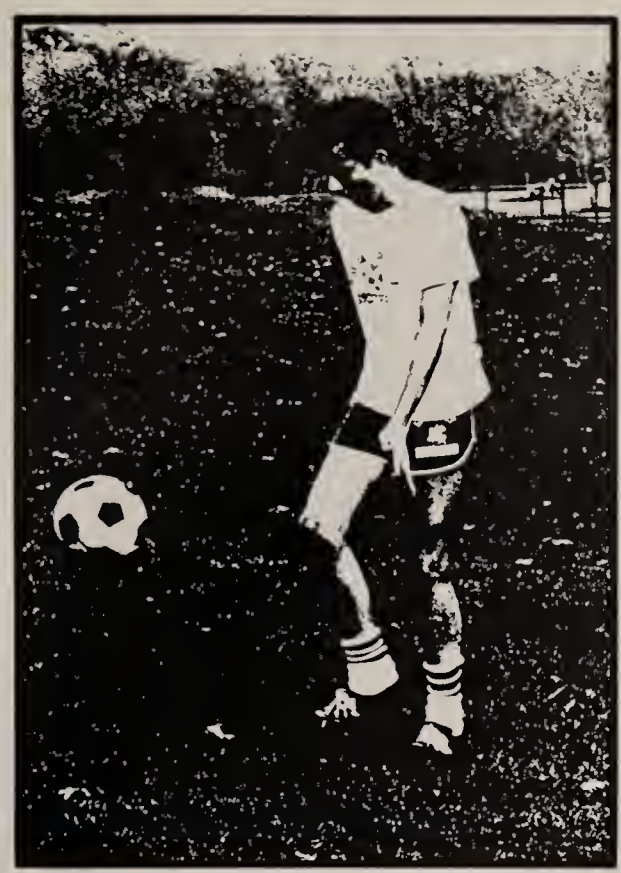
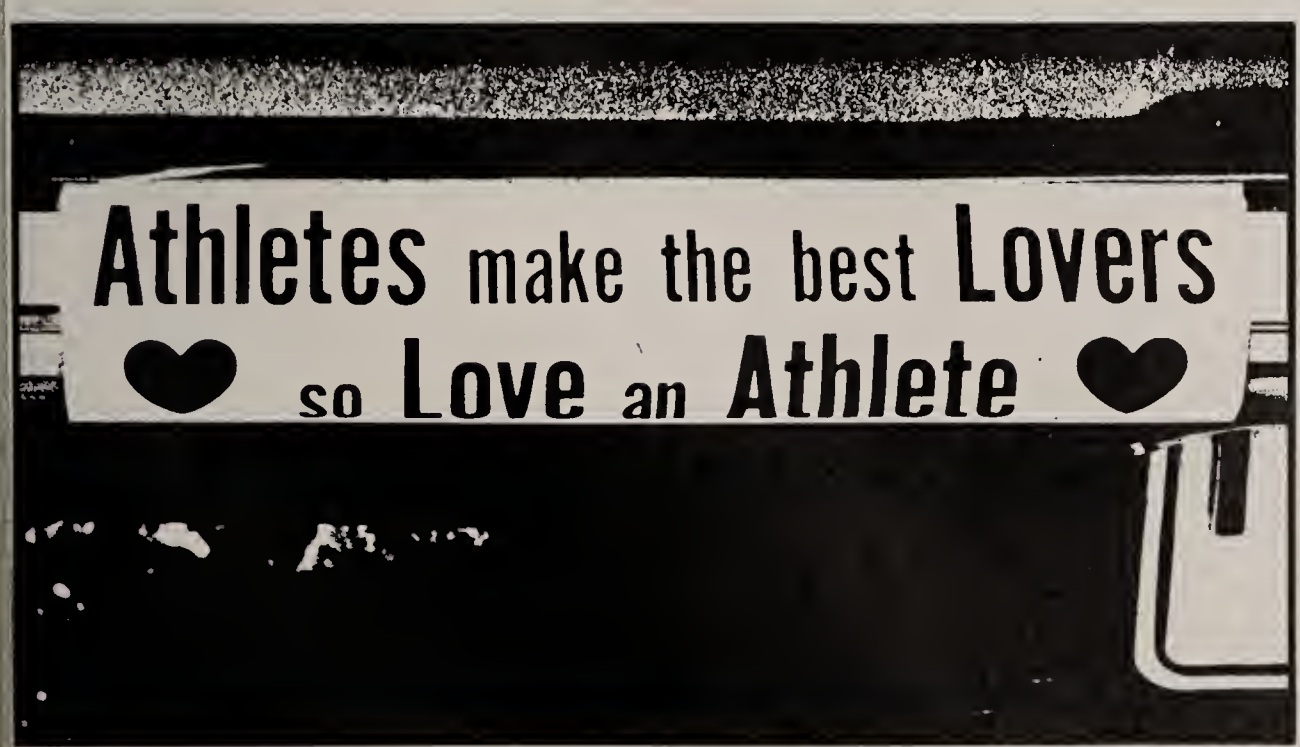
They train for years
In preparation for a short season
They practice in blistering heat
And freezing cold
They discover the ecstasy of victory
The heartbreak of defeat
Whether they win or lose,
We support them.
They earn their letters with sweat
They suffer breaks and sprains
But We never hear a complaint
They are just proud to be Raiders.





Field Hockey

Soccer

S.H.S. added soccer to its sports program on an intramural basis, setting a standard for future teams. In five outings against better conditioned and more seasoned teams, the soccer team lost in their first outing against a very capable Diman team then preceded to defeat the Conolly and Tiverton squads a total of four consecutive times.

With the expert coaching of Mr. Horton and the great response of Somerset athletes to the soccer program, the team will gain varsity status and division championships in the coming years.

Champion's Once Again!!!

Once again the very talented girls basketball team pulled through with another championship title. Under the excellent coaching of Miss Fitzgerald, the girls will be entering the state tournament in February.

The varsity finished with a league record of 8-2 and an overall record of 12-3. The team, led by captain Cyndee Lapointe, started with many hardships including injuries and the frustration of a small court, but managed to stay calm and together for the most important games of the season. Only having seven people on the varsity team the J.V.'s helped tremendously when needed most. The junior varsity was captained by Martha Brough.

FIRST ROW: Pam Tessier, Martha Braugh (J.V. capt.), Cyndee Lapointe (captain), Nancy Hoole, Karen Heroux, SECOND ROW: Sue Marcellus, Robin Dagnault, Dawn Dagnault, Brenda Almeida, Janine Trudeau, THIRD ROW: Elaine Leite, Sue Sheppard, Sheila Corcaran, Mary Periera, Debbie Cote, Linda Borge, Caach Sheila Fitzgerald.

ON THE ROAD TO FIND OUT

Well I left my happy home
to see what I could find out.
I left my folk and friends
with the aim to clear my mind out.
Well I hit the rowdy road,
and many kinds I met there,
many stories told me of the way to get there.
So on and on I go,
The seconds tick the time out,
There's so much left to know,
And I'm on the road to find out.

Well in the end I'll know,
but on the way I wonder
through descending snow,
and through the frost and thunder,
I listen to the wind come howl,
telling me I have to hurry.
I listen to the robin's song
saying not to worry.
So on and on I go,
The seconds tick the time out,
There's so much left to know,
And I'm on the road to find out.

Then I found myself alone,
hoping someone would miss me.
Thinking about my home,
and the last woman to kiss me.
But sometimes you have to moan
when nothing seems to suit yer,
but nevertheless you know
you're locked toward the future.
So on and on I go,
The seconds tick the time out,
There's so much left to know,
And I'm on the road to find out.

Then I found my head one day
when I wasn't even trying,
and here I have to say,
'cause there is no use in lying, lying.
Yes the answer lies within,
so why not take a look now,
kick out the devil's sin,
pick up, pick up a good book now.

Yes the answer lies within,
so why not take a look now
kick out the devil's sin,
and pick up, pick up a good book now.

CAT STEVENS

". . . It's always been the same old story,
from the moment I could talk
I was ordered to listen,
now there's a way
and I know I have to go,
away, I know, I have to go . . ."

". . . If they were right
I'd agree
but it's them they know
not me
now there's a way,
and I know that I have to go
away, I know I have to go . . ."

Gordon Fitzgerald — Senior Class President

This has been our senior year in Somerset High. Our days of talking in the corridors, sleeping in class, finding out new happenings, and making old friends new again are over. Can you remember back to our freshman days when you wouldn't make a noise in school? Compare it with now. I hope that you feel that OUR senior year was the best of all. We tried new and old ideas. I just hope they all worked. Now many of us will go out into today's society and be nobody; but, just remember, in Somerset you'll always be somebody. Even though you might not see some of your friends again, you can all think back and enjoy.

I want to thank Mr. LaMothe for the great job he did on the yearbook. I know it took a great deal of worrying, work, and time. I want to wish everybody the best of luck in the future and may God bless you.

Thank you,

Gordon Fitzgerald

I was made weak, that I might learn

I asked for health, that I might do

I was given infirmity, that I might do
better things . . .
I asked for riches, that I might be happy,
I was given poverty that I might be

I asked for power, that I might have the

I was given weakness, that I might feel

I asked for all things, that I might enjoy

I got nothing that I asked for - but
everything I had hoped for,
Almost despite myself, my unspoken
prayers were answered.
I am among all men, most richly blessed.
